

Attendance Policy

Attendance is critical to the applied learning / curricular practical training approach. Attendance includes presence and participation in scheduled on-site and online class sessions, and participation in individual / group presentations, exercises, or projects.

There are no excused absences; a student is either present or absent from a class session. Students are expected to attend and actively engage in all class sessions and activities as assigned throughout each 11-week term. Students who do not complete a minimum of 70% of all course requirements will receive a failing grade (F) for the course.
